PROFESSIONAL EXPERIENCE

Integra software service pvt ltd
Data Conversion Analyst

May 2025 - Sep 2025

I was involved in converting raw content into structured XML format for digital publishing, validating files against DTD and XSD schemas to ensure accuracy and correctness. My work included resolving tagging errors, fixing missing elements, and correcting attribute issues to produce clean and error-free XML outputs. I also implemented and tested XML stylesheets to achieve precise formatting and collaborated with production teams to ensure timely delivery of XML files without compromising quality.
